BRIEF BUT KILLING. A Horse Remedy That Was Not Recommended, But Was Very Ef-

fective in Ita Way.

'A recent West Philadelphia political meeting was marked by the telling of the folowing story as illustrative of the evil of being too laconic in everyday speech. Brevity was the distinguishing characteristic of the village wherein lived Jim and Zach, farmers, and each the owner of a horse. They met one day and spoke as follows, relates the Philadelphia Times:
"Mornin', Jim!"
"Mornin', Zach!"

"What did you give your horse for the

"Good mornin'!" They again encountered each other a

few days later, with this result:
"Mornin', Jim!"
"Mornin', Zach!" "What did you say you gave your horse for the botts?"

"Turpentine."
"Killed mine."

Mine, too." 'Good mornin'!" "Good mornin'!"

GOT A DOWER FOR HIS BRIDE.

Shrewd Westerner Headed Subscription List and Donations Were Liberal,

Some years ago when the west was wilder and more woolly than it is to-day a young man, since grown rich and now famous as a financier and capitalist, was a regular board er at a hotel in a frontier town. He and a patrons with regularity and promptitude,

One evening after she had retired for the night the landlord informed the company that this was the last night she would wait upon them, as she was going to be married next day. When the landlord had gone out Jimmie Hughes, the young man referred to got up and said he thought it only right that they should show their appreciation of her services by making her a little present on this auspicious occasion. He took a sheet of paper, wrote his name down for \$200 and passed it round. The girl was popular and the idea caught on and when it came round again to generous Jimmie the total amounted to something over \$2,000. They summoned the landlord, handed over the amount to him and asked him to give it to Miss White next morning with their hearty good wishes for her happiness. Next day she was married and the happy bridegroom

POULTRY SUGGESTIONS.

Valuable and Pointed Suggestions to Those Who Raise Poultry

The following pointed paragraphs contain more valuable suggestions about poultry than can be found in several volumes of average poultry or farm journals: Exercise is like an ounce of pre-

ventive. It is worth a pound of condition powder.

If you are looking for a "soft snap" stay out of the poultry business. We never waste the time spent in thinking. Applied thought is the

Don not forget to always keep on hand a supply of clean water. Don't dabble in many varieties. You are too liable to be a failure in

great means of success.

If your hen house is near swampy ground, raise plenty of sunflowers.

Examine often for lice. It is easier to hatch chickens in an incubator than to raise them in a brooder. Neither the poor hen nor the over-

fat one will lay many eggs. Leaves, chaff, grass and hav make good littler for the floor. Dressed poultry should be packed

carefully. Ill-shaped birds do not sell well. The beauty of your poultry yard is the pure-bred cattle. the kind of chicken that walks in it.

Set fresh eggs. The poultry business is not visionary, but has come to stay.

Thoroughbred stock is not necesin the long run.

effort.

Don't lesson your efforts because someone tells you that you have gone | manently profitable basis. have the best outlook for success.
